Interactive Financial Corporation Ranked One of the Fastest-Growing Private Companies in America

Troy, MI — October 17, 2007 — Interactive Financial Corporation, one of the nation's leading mortgage banker/broker headquartered in Troy, Michigan, was recently recognized as one of Inc. 5000 fastest-growing private companies in America.

The prestigious 2007 Inc. 5000 list measures revenue growth from 2003 through 2006. To qualify, companies had to be U.S.-based and privately held and demonstrate award winning growth.

"Being recognized as one of America's fastest-growing private companies by Inc. Magazine is not only rewarding, but reaffirms our vision and strength as an innovative and growing company. It further confirms the confidence our customers have in our ability to provide them the best financial solutions," said President/CEO Hunt Gersin.

"We have worked diligently to achieve this position, while still maintaining the level of personal service and commitment to serving our clients that our reputation was built on," said President/CEO Hunt Gersin.

About Interactive Financial Corporation
